

The calculator for Mathematics and scientific subjects

Calculator in S1, S2 and S3

Students can use *any* scientific calculator (or basic calculator) for the standard operations.

Numworks Calculator in S4, S5, S6 and S7

Students will use the Numworks calculator for Maths, Physics, Chemistry, Biology, Economics and Geography assessments in S4, S5, S6 and S7. *-Future S6 and S7 students have this calculator already in their possession.*

- **Future S4 and S5 students** can purchase this calculator at a reduced price via a bulk order and only pay 74.69 € instead of 82.99€. Placing your order is straightforward:
 1. Go to <https://ordine.numworks.it/1Biuvpk>
 2. Fill in your child's data: name and surname, class & language section.
 3. Pay online via the secure website.

The closing date for the bulk order is **26 August 2024**. The calculators will be delivered to the European School of Varese. Your child will receive the calculator at the beginning of the school year. If you wish to order the calculator *after* the closing date, please refer to [this webpage](#). If ordered later, you will not benefit from a discount and the calculator will be delivered directly to your home. You will find more practical information in attachment.

- **Software update**
The calculator should be equipped with the latest version of the software. To update the Numworks calculator with the latest version (v.22 or higher), go to [this webpage](#) and follow the instructions. Please make sure that the calculator is fully charged on the day of the examinations.
- **Press-to-test mode for examinations**
During examinations students must activate the *press-to-test* mode on their Numworks calculators after entering the examination room.
- **Warranty and contact**
The Numworks calculator has a one-year warranty. If you encounter any problems with your calculator, please consult the page <https://www.numworks.com/it/supporto/> or contact the company directly at contatto@numworks.it.

Kindest regards on behalf of the management & teaching staff,

Elizabeth McDonald

Deputy Director Secondary Cycle,

ES Varese
